In the case of multiple internal candidates moving to the same classification, seniority between those internal candidates will be determined by their respective dates of hire, or alphabetically if their dates of hire are the same. Seniority begins on the employee's first day of work/training. Seniority shall apply on a job classification basis.

An up to date seniority list shall be posted at all times in an accessible place to the operators. Full-time and part-time employees shall be listed in order of their dates of employment, most senior to least senior. Full-time employees formerly employed as part time employees will carry with them into full-time status the Company seniority accrued by them as part-timers only for progression pay, layoff and recall. Such employees will not carry into full time status their seniority as part timers for any other purposes including picking rights, vacation, insurance, health and welfare or any other benefit.
